BUY STOCK FOR PIG AND CALF CLUB

SIXTY-THREE FINE POLAND-CHINA PIGS PURCHASED.

MAKES SPLENDID START

Farmers Trust Company Promoting Club Will Make Distribution of Stock December 20.

Sixty-three Poland-China pigs have been purchased for the boys and girls of the Farmers Trust Company pig and calf club. The buying was finished up Saturday by G. L. Wilfley, manager of the club, who visited the various herds in company with F. L. Garrett, head of the Standard Poland-China Association, and F. L. Wright of the agricultural extension department of the Missouri State University. Mr. Wright spoke to the club members at a meeting and luncheon held at the Bank Saturday noon.

The pigs were purchased from the lots of A. L. Owen and Joe Wolfers of Conception; O. J. Willboyt, living south of Maryville; V. O. Hunt of Ravenwood and E. P. Eddy of Mound City. These pigs are all spring farrow thoroughbred Poland-Chinas, and the best stock that could be purchased. The calves for the Shorthorn club will be purchased later.

There are now eighty-one members in the club, three more signing up late Saturday afternoon. Of this lot, sixty-five are in the pig club and a couple more head will be purchased this week. Sixteen boys and girls are signed up in the Shorthorn calf club.

The stock will be distributed on December 20, the next meeting of the club, and all members will then be ready to take up their actual work.

This is the first year for the organization and the membership and enthusiasm shown by the boys and girls is very gratifying to the Farmers Trust Company, which is promoting the club.

The bank purchased the stock, distributes it according to terms made with the boys and girls, a complete record is kept of the care and feeding and work attendant to raising the pigs and calves, and next Octobed, a year from the organization, the first annual sale will be held, the stock disposed of, the advance money paid, the stock on hand invoiced, and work begun for another year. The stock may or may not be sold as is considered best, but the boy or girl takes stock of the year's work and begins on a new year. Sixty-seven of the members were at the meeting Saturday and they were as fine a bunch of amateur stock raisers as could be found in any county, and Manager Wilfley is very proud of the fine interest and the real business ability shown by these boys and girls.

AUSPICIOUS START FOR REVIVAL MEET

REV. R. E. SNODGRASS ADDRESSES BIG CROWD AT NIGHT.

PROF. KAY LEADS MUSIC

Sunday School Orchestra Aids Big Chorus in the Fine Musical Program.

The revival meetings at the First Christian church, conducted by the pastor, Rev. R. E. Snodgrass, which began last night, made an auspicious start by having a big attendance at the opening meeting. Prof. J. A. Kay, singing evangelist, who has charge of the music, won his way into the hearts of the people at once by his splendid voice and his rendition of special numbers. The big chorus is aided by the use of organ, two pianos and the Sunday school orchestra. Prof. Kay will sing at all services.

Tonight Rev. Snodgrass will preach from the topic "God's Armour Bearers." The service will begin at 7:30 o'clock and there will be a special musical program.

All the services of the day at the church were well attended yesterday. The morning service was turned over to the Missouri Movement committee and lunch was served in the church at noon. This committee made a canvass of their membership during the afternoon.

Mr. Snodgrass' sermon last night was upon the subject "The Need of Mighty Revivals in the Church." Following are some extracts from the sermon.

"It is my purpose, God helping me, to show that the greatest need of the church and world today is a mighty spiritual awakening, which can only come through great seasons of revival efforts. An ox feeding in a pasture might conclude that the whole world was a clover field, and we, standing in the midst f great religious advantages, might thing that all the world is evang lised. But if this church building were the world, this one short seat would represent that portion of it which is gospelized.

"The first chapter of the Christian church opens with the account of a revival in which 3000 people joined the church in one day. The day of Pentecost was nothing but a revival. The last chapter of the world's history is to be the history of a revival. Not ten thousand people converted, or a milliion people converted but a nation born in a day. The millenium is only another name for a revival."

"Some objections to revival meetings were taken up and thoroughly discussed, such as "Those coming do not hold out". There is so much excitement that people mistake hysteria for religion," and "Great multitiueds of young people and children are brought into the church and they don't know what they arcabout."

"It has been my experience that the younger children come into the church after they reach the age of accountability, the more useful they are. Robert Hall, the prince of Baptist preachers, was converted at twelve years of age and it is supposed that he knew what he was about. Mathew Henry, the commentator was converted at eleven. Dr. Watts whose hymns will be sung thru the ages was converted at nine. Joiathan Edwards, perhaps the mightiest intellect the American pulpit ever produced, was converted at seven years of age. That father and mother takes an awful responsibility when they shake their heads when that child of theirs wants to come into the church." "The real cause of objection to revivals is the coldness of the objector. A low state of religion in the heart. It is the spiritual dead who are afraid of having their sepulchers molested. The chief agents of the devil during a revival are always the unconverted professors of religion. I am not afraid of the infidel or the totally irreligious outside the church, but I am worried about the attitude of the professor of religion who are too cold to work at the business."

COMMITTEE ON MISSOURI MOVEMENT EXTEND TIME

Work Not Completed Yesterday—Eight Men of Christian Church Conduct Campaign.

The eight committeemen from the First Christian church who have been in charge of the "Missouri Movement" campaign, will continue their work until tomorrow when a total report will be made. It had been planned to finish the work last night but this was impossible on account of the inability of the committee to call upon all the members. This movement is to solicit help for the six colleges in Missouri under the auspices of the Christian denomination.

The men composin g the committee are Frank Roelofson, U. S. Wright, F. P. Robinson, A. L. Nash, Ed Hamlin, G. B. Roseberry, Alex Holt and W. E. Goforth.

RURAL SCHOOLS HOLD SERIES VITALIZED AGRICULTURE MEETS

Demonstrations and Programs to Be Given Each Night This Week by Two Schools Jointly.

The vitalized agriculture classes in several of the rural schools are planning demonstrations and exhibits to be held this week. This is to create interest in the work and to show to parents and patrons what is being done by the pupils.

AMERICAN LEGION CALL FOR VIGILANTES TO COMBAT "REDS"

Would Aid in Reporting All Information Regarding Radicalism to Proper Authorities.

Kansas City, Mo., Nov. 17.—A call for the organization of "vigilance committees," composed of members of the American Legion, has been sent out to all Legion Posts in Missouri by Sid Houston, the State President. The object of the "vigilance" is to combat "Red" activities, reporting all information regarding radicalism to the proper authorities. The idea of the "vigilantes' is an outgrowth of the assassination of four Legionaires during the Armistice parade in Centralia, Washington, by alleged I. W. W.

From The Files of Fifty Years Ago

The Democrat-Forum celebrated the fiftieth anniversary of its founding Thursday. The day of the first issue in 1869 fell on Saturday. Following are some interesting events, the business firms advertising in that issue, market reports and other news, copied from the first paper, showing the "Who's Who" of fifty years ago:

Greeting Copied From First Issue.

SALUTATORY.

Greeting Message Copied in Part From First Issue.

Citizens of Nodaway, of Missouri, of the Union; we greet you. We take our place among you, and forasmuch as you do a kindness unto us, for so much we will repay you principal and interest, and we shall ever be happy to welcome you to the office of the Democrat in Maryville.

We hoist as our motto flag the legend, "The Press is the Pulse of the People." For the tone of the press is the sanitary criterion of the public moral and intellectual health and we propose to hold forth in the Democrat a spirit and tone thought and a discussion of the political theories of the day that shall be its candor, earnestness and steadfast devotion to principles leave no room for doubt as to the moral and intellectual soundness of the people of Nodaway county, whose views and sentiments we reflect and represent.

In avowing our support to the principles of the democracy we do not propose to shoulder a load of dead and bygone issues and carry them along with us to impede our progress, but shall seek to deal with those issues and discuss those propositions that effect the politics of today.

Firm in the conviction that Nodaway is the best county in northwest Missouri and that northwest Missouri is the best part of the United States, we shall in good faith proclaim our belief abroad.

And, now, citizens of Nodaway, we ask your cordial patronage. We are working for your benefit and we ask you to recognize our labor in a substantial way.

Some General News Copied From First Issue.

The following are some of the items in the first issue of the Democrat:

Rev. Mr. Crawford will preach at the South Methodist church tomorrow at 11 o'clock in the forenoon, and also in the evening.

Our fellow townsmen, Gottlieb Kuenster and family, who have been spending the summer in Europe, returned on Saturday of last week.

The M. E. church, South, was dedicated last Sunday, Rev. J. F. Shores of Savannah, presiding.

Our postoffice is sadly in need of better facilities for giving out mail. Postmaster Kelly is one of the best and most gentlemanly fellows in the world, yet that does not quite compensate for the annoyance of standing and crowding and jamming for half an hour to get a chance at the "window" to get our mail.

The pleasant weather is being industriously improved by B. G. Ford in putting up the addition to our graded school in Maryville. The services of Professor Edwards, whose reputation as a teacher, both here and abroad, needs no comment, have been retained as principal for the ensuing winter term, and also of Dr. McCluskey as first assistant. The primary department will be under the supervision of Miss Emma Cannon, while Mrs. Arnold will conduct the German department.

Have All the Papers Since the First Issue.

The Democrat-Forum has all of the files of the Democrat from its first issue down to the present time, with the exception of a few numbers in the first years of its existence. In addition, we have the files of the old Maryville Republican for a number of years, and also the files of the Nodaway Forum during its life time.

GRANDMOTHER KNEW

There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard-plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the plaster and without the blister.

Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Gently massage Musterole in with the finger-tips. See how quickly it brings relief—how speedily the pain disappears.

Use Musterole for sore throat, bronchitis, tonsilitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).

30c and 60c jars; hospital size $2.50.

MUSTEROLE — DOES NOT BLISTER

Of course our bread, pies and cakes are FRESH. How could they help it—baked every day in our modern, sanitary bakery.

THIS MOTHER AND DAUGHTER

Both Made Well by Lydia E. Pinkham's Vegetable Compound.

Steele, Ala.—"During the Change of Life I had hot flashes, was nervous, run down, and had sick headaches for two or three days at a time. I took Lydia E. Pinkham's Vegetable Compound and I am much stronger and better in every way than I was. My daughter's health broke down last June from teaching school without a rest, and she has taken Lydia E. Pinkham's Vegetable Compound and the Blood Medicine with good results. She is much better and teaching now and I give your medicine the praise. You are welcome to use this letter for the benefit of other suffering women."—Mrs. F. A. GAINES, R.R. No. 1, Steele, Ala.

Women who suffer as Mrs. Gaines did should not hesitate to give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial, as the evidence that is constantly being published proves beyond question that this grand old remedy has relieved much suffering among women.

For confidential advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their forty years' experience is at your service.

Service Through Organization

THE only difference between big business and little business lies in the number of units of effort and the character of service rendered.

The laboring man is in business for himself. He renders a service by selling his time, energy and skill.

Big business is the grouping together of a great many units to render a greater service by co-ordinating the efforts of the individuals and selling the results of their combined time, energy and skill.

Up to a few years ago the general public did not understand the ideals of service underlying big business. What it did not understand it distrusted and naturally condemned.

When the Allies decided to organize their armies on the basis of big business—for a common service—they began to get results, and the world saw the benefits to be derived from intelligent organization.

The Standard Oil Company (Indiana) is a big business, organized to render a useful service.

The objective of the Company is to manufacture the greatest number of useful products from crude petroleum, to distribute them so that they are available to all and to sell them at a minimum price.

The methods by which the Standard Oil Company (Indiana) renders these services embrace the truest financial democracy, the most advanced merchandising practices and extensive scientific research.

These are intended to expand the usefulness of the Company as a public servant, by maintaining the quality of petroleum products manufactured at the highest standard, by making an adequate return to those who are investing their money or their time in the business of the Company and enabling the public to secure their requirements of such products at a minimum of expense.

It is this spirit of co-operation animating the Board of Directors which enables the Company to discharge its complete obligation as a public servant in a manner satisfactory to its patrons.

ENGINEER WAS FORCED TO QUIT

WAS S ORUN DOWN HE COULDN'T WORK—GAINS THIRTY POUNDS BY TAKING TANLAC.

"If I could have had this medicine years ago," said J. N. Summerville of 3520 Michigan avenue, Kansas City, Mo., when he stopped at the Owl Drug store, Kansas City on his way to California in his automobile, for a supply of Tanlac, recently. I would not have had to quit my job on the road."

Mr. Summervile is a well known rail road engineer and states he was forced by ill health to give up his position on the C. B. & Q. where he had been running for nine years.

"Of all the people who have made statements about being benefited by Tanlac," continued Mr. Summerville, "I don't believe anyone has more cause to be thankful than I have. At the time I began taking Tanlac I only weighed one hundred and five pounds, but I now weight one hundred and thirty-five pounds, making a gain of thirty pounds, and am also rapidly getting back my lost strength and energy.

"I have suffered from stomach trouble and had been going down hill for years. I was also badly constipated and suffered with severe headaches and dizzy spells. I could neither eat nor sleep to do much good and had a cough that annoyed me constantly. Finally I was forced to quit my position on the road, being unable to work, and do nothing but try to find relief.

"I have been under treatment numbers of time, tried many different kinds of medicines, and traveled around considerably trying to get my health back, nothing seemed to help until I got Tanlac. I had begun to think Tanlac was going to fail me, too, for I never felt much improvement until I had used my second bottle. So if I had given it up before giving it a fair trial it would have been the mistake of my life, for I am now getting to feel like a new man. I have a good appetite now, enjoy my meals, and my sleep is sound and restful. I am already feeling better than I have in a long time and at the rate I am picking up now I will soon be in first class shape again. I cheerfully recommend Tanlac to anyone looking for something to build them up. I would not be without it for anything."

"Tanlac is sold in Maryville by Koch Pharmacy, in Conception Junction by A. M. Colly, in Pickering by H. M. Lincoln, in Burlington Junction by Coster Pharmacy, in Barnard by Bear Drug Co., in Elmo by King Drug Co., in Clearmont by Dr. W. H. Wiley, in Ravenwood by C. A. Shunk, in Arkoe by Rufus R. Smith, in Hopkins by Hopkins Drugs Co., and in Parnell by F. L. Hart." ADV.

Maryville and Gallatin H. S. Teams Now Tied for First

The Maryville H. S. and Gallatin H. S. foot ball teams are now tied for first place in the Inter-High school association and both teams will be in suspense until the match game which is now being arranged between the two is played.

A proposition to play here Thanksgiving day has been made Gallatin by Coach L. E. Zeigler.

The Richmond team, which held an even score with Maryville and Gallatin in having six straight games to its credit, was put out Friday when defeated by Trenton in a score of 13 to 3

Mrs. J. F. Roelofson went to St. Joseph this morning to visit her daughter, Mrs. Paul Sawyers, and family.

Women of Missouri Suffer Pains and Aches

Kirksville, Mo.—"Some years ago I had a severe nervous break-down, due to feminine weakness. I suffered with pains and aches continually. Was about as miserable as one could be, and just two bottles of Dr. Pierce's Favorite Prescription cured me of this ailment and I felt better than I had for a long time. I have since enjoyed good health. I can recommend 'Favorite Prescription' to women who suffer."—MRS. A. P. SCOTT, 1001 N. Franklin St.

Run-Down, Nervous, Weak

Kansas City, Mo.—"I found Dr. Pierce's Favorite Prescription to be just what is claimed of it as a woman's medicine. During middle life I was all run-down, nervous and weak, could not eat nor sleep well; did not have a bit of strength, would be tired and worn-out all the time. I knew I must have medicine and finally decided to try 'Favorite Prescription' and it was just the thing I needed as it brought me through in a good strong healthy condition. I always recommend it to my friends, many of whom have taken it with just as good results."—MRS. ALBERT LEEDOM, 5002 Michigan Ave.

Motherhood

St. Louis, Mo.—"After motherhood I developed woman's trouble. I suffered with inflammation and became very weak and thin. Suffered with backaches all the time and was a miserable nervous wreck when I was advised to try Dr. Pierce's medicine. I took two bottles of the 'Favorite Prescription' and used one box of 'Suppositories.' These medicines made me feel like a new person and my good health returned. 'Favorite Prescription' is an excellent medicine for women."—MRS. WM. GEORGE, 4120 Lee Place.

Dr. Pierce's Favorite Prescription can now be had in tablet form as well as liquid at most drug stores. Send to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., for a ten-cent trial package of tablets.

HAVE COLOR IN CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. Millions of boxes are sold annually at 10c and 25c. Take one or two nightly and note the pleasing results.
